*I am a postdoctoral researcher currently working on the "Recovery, Investment, and Transition (RIT)" project, funded by the Normandy region. This research project aims to analyze the local economic effects of transitional investments, a public policy financing approach implemented by local authorities to support the socio-ecological transition.*

*I am seeking an Assistant Professor position starting in September 2025.*

## Education

2024: **Qualified for the position of Lecturer, (Maître de Conférences)**, CNU Section 05, 2024, France.

2020-2023 : **PhD in International Economics**, Department of Economics, EDEHN, Le Havre Normandie University, France.

2018-2019 : **Master in Public Policy Analysis**, Laboratoire d'Economie de Dijon (Ledi), University of Burgundy, France.

2015-2018 : **Magistère in development economics**, Center Study and Research on International Development, CERDI, Clermont Auvergne University, France.

2010-2014 : **Undergraduate Degree in International Economics**, Faculty of Economics and Management Sciences, University of Lomé, TOGO.

## Work Experience

Since sept 2024 **Postdoctoral Researcher**, Laboratoire d'Economie de Rouen Normandie, LERN, Université de Rouen Normandie, Rouen.

Sept 2022 - August 2024 **Teaching and Research Assistant (French ATER)**, Faculté des Affaires Internationales, Université Le Havre Normandie, Le Havre.

General description

Course details:

Course titles	Grade	LC/T	Volume
Introduction to macroeconomics	Undergraduate 1	T	24h
Growth and inequality	Undergraduate 3	T	20h
Macroeconomics: Short-term Equilibrium	Undergraduate 1	T	36h
Microeconomics: producer theory**	Undergraduate 1	T	18h
Business Cost Analysis	Undergraduate 1	T	36h
Digital Tools	Undergraduate 1	T	51h
Macroeconomics: Aggregate Supply & Demand	Undergraduate 1	T	24h
Applied Econometrics	Undergraduate 3	T&LC	20h

Notes: LC=Lecture course/T=Tutorials /\*\*=Tutorials in english

April-Jun 2022 **UNU-WIDER Visiting PhD Fellowship**, UNU-WIDER, Helsinki, Finlande.

○ Distributional effects of structural reforms in developing countries: policy lessons?

June 2022 **MSIES 2022 - Course Certificates**, World Bank Group, Development Impact Evaluation, (DIME).

○ Manage Successful Impact Evaluation Surveys Course 2022

Since sept 2021 **Part Time Lecturer**, *Normandie Business School*, Territories & Sustainable Development Department, Paris / Le Havre.

General description

Course details:

Course titles	Grade	LC/T	# Hours
Economic Policy	Undergraduate 2	LC	300 h
Introduction to Economics	Undergraduate 1	LC	360 h
Statistics 1	Undergraduate 1	LC	120 h
Statistics 2	Undergraduate 2	LC	300 h
Regional Economics	Undergraduate 3	LC	15 h
Panel Data Analysis	Master 2	LC	30h

Notes: LC=Lecture course/T=Tutorials

Jan 2021-April 2022 **Lecturer**, *Paris School Of Economics*, University of Paris 1- Sorbonne, France.

- Computer application of econometrics on SAS (Undergraduate 3, 57h)

Jan- March 2021- **Targeting Project Manager**, *Office Depot*, Viking, France.

- Management and execution of targeting operations in loyalty and prospecting on all multi-channel action plans;
- Statistics: Performance by catalogue, performance by flyers, potential;
- Analysis and data mining: Implementation of new segmentations, construction of score models and monthly marketing action reports
- Applying machine learning to sales prediction

Jan - Sept 2020 **Data Analyst**, *Office Depot*, Viking, France.

- Production of monitoring and analysis tables of operations
- Update of the Office Depot Customer segmentation
- Management of the customer database (update, address quality, duplication, etc.)
- Realization of a Data Mining project (appetence score and churn prediction, optimizing the customers segmentation)

May-Sept 2017 **Economic analyst**, *Haut-Commissariat au Plan (HCP- Maroc)*, Rabat, Maroc.

- Collect, treat and analyze multi-dimensional micro-economic datasets
- Study of the explanatory factors of wage discrimination against women
